

URBANO

Red wine IGP Marche

Grape

Merlot , Cabernet Sauvignon,
Montepulciano
(the grape percentage depends on
the yearly grape harvest)

Growing technique

Guyot

Yield per hectare

60 q

Grape harvest period

First decade of October

Vinification and wine aging

The fermentation of destemmed
grapes occurs at controlled
temperature of 25°C and a soaking
period of 30 days.

The wine ages in barrique for about
12 months and afterwards in bottles
for 6 months.
